Katie – be more bothersome – you should use Chuck to get Forrest jealous

Forrest – “Yeah the one with the glasses” – that’s what he is saying about you and it should bother you.

Malachi – see me about the way you say – “Over the toilet bowl AND..

Joseph no jacket, just the vest
Arise – keep your hat back off your face

Christina and EVERYONE THAT COMES TO THE DOOR – Enter just in time to get to the door for the doorbell. We see you enter, so it's weird if you get there too early

Katie – don't push Christina away on Dump him. Be interested in dumping him and start looking for other men, like Charles... Be interested in Charles

Paul – you need to come back in with a folded piece of paper for a BILL – you say you have a bill but you don't have one!

Christina – the crystal ball lights up! Try it!
Christina – if you die with your hair in your face – leave it

ALL – there is a lot of movement after people die. Please try to stay still

Marty and Joe – are there more places for the playful hand thing? IT's so cute.

Forrest you need to move faster when picking up bodies. And you can talk to them more if you want, but stay in control. I don't mind at all you taking off your jacket at some point.

ALL - PROPS – We need girl scout cookie boxes – does anyone have any?

Paul – YOU MUST BE BACK STAGE FOR FORREST WHEN HE DRAGS OFF ALL THE GIRLS HE NEEDS YOUR HELP!!!!!!

FORREST – if you can help it please try to NOT SMILE when you lose it at the end.

ACT 2

COWBOY SONG

GHOSTS – walk on really slowly, the slower the better

YOU ALL sounded SO MUCH BETTER! Keep up that voice work and now have some fun with the characters!!

JEZZY see me about placement

SOUND – Jocelyn see me during 3rd period about sound cues – just a couple of notes

LIGHTS – SAM – light cues are a little slow, just need to tighten them up to keep the pacing going

TECH – we need to put tape down to mark where stuff goes for GHOSTS

SCREAM

Sophia – Remember to change your hair for SCREAM

I think we should just bloody the three shirts and have them ready. I don't want blood everywhere for the show.

Ally – you need to be right no top of your screams offstage

Matthew – the first one – the pause is great but open up so the audience can see you

Arise and Mark – you need to stay more center to leave room for Matthew so he's not DS of the proscenium

Tati and Sophia see me, possibly at lunch??? Just for 5 minutes

Sophia – the slight wait at the end was much better

SET CHAIR IN LIGHT – make sure it gets set properly at beginning of show
